

Italy: San Vito -Typical Tuscany Wineyard at the Chianti Route

Time to relax. Just enjoy the wonderful place at San Vito with the beautiful view over the vineyards and the old olive groves. Have a little walk in the garden or refresh yourself in the swimming pool. It is up to you. Or drink a glass of San Vito Chianti between old olive trees at tuscany sunset.

About San Vito

The estate, property of the Italian Drighi family since 1960, has always joined agricultural production with respect of the environment. In the same way the San Vito Farm welcomes their guests in the renovated rooms and apartments, which represent typical tuscany lifestyle and Italian tradition.

In the vineyards are the best grapes and varieties of Sangiovese, and by introducing a smaller part of strains such as Merlot, Cabernet and Charnonnay, to enrich the selection of the wines.
