### **Majestic Views of Stellenbosch and Simonsberg Mountains Living on a Wine Lodge in Stellenbosch**

#### **About the Farm and the Guesthouse**

The Winefarm is only 5 minutes drive from the City Center of Stellenbosch and has 20 en-suite Guesthouse rooms all with terraces. The rooms are situated between the vineyards, with majestic views of Stellenbosch and Simonsberg Mountains, as well as the Table Mountain in the distance, providing an environment of beauty and tranquility.

**The Farm** produces a variety of products such as organic wine, drinking vinegars, herbs vegetables, and fruits, all of which are used when preparing the scrumptious meals served in the restaurant. The Farm has a small herd of Jersey and Brown Swiss cows. Everything on the farm is managed to organic and biodynamic principles – especially the wines, like the Bordeaux, an assemblage of Merlot, Cabernet Franc and Cabernet Sauvignon.

### **Restaurant**

The Restaurant is located in the 150 year old Manor House. The cuisine can be described as Country style and natural with French Provencal roots. All ingredients are always fresh, sourced from home-grown organic vegetables, fruits and herbs, as well as free-range farm eggs and milk. Meals are served either on the vine-covered veranda overlooking a tranquil lawn, or in the dining room with its gallery of canvases by world famous local artists Paul Emsley, Cecil Skotnes and Larry Scully. During colder weather guests can enjoy the warmth and comfort of a roaring fireplace.

In the Restaurant or on your terrace, you can have a glass of wine and a selection of cheeses at sunset while admiring the vineyards and beyond the Simonsberg Mountains.

The pool in the garden is another ideal spot to relax. Located among the vines this spot is well worth an evening drink and snack to take in the peace of the surrounding grounds.
